

THE ARTS SOCIETY EBOR - Day of special interest at The Hepworth Wakefield

Thursday 16th January 2020 11am – 4.30pm

In 1958 Alan Davie had his first solo exhibition at Wakefield Art Gallery, which went on tour nationally and launched Davie's career. Then a young student at Bradford College of Art, **David Hockney**

attended this exhibition which was a pivotal influence on his artistic development and shortly afterwards, he moved to London to take up a place at the Royal College of Art. The Hepworth exhibition is bringing together around 45 paintings which have not been seen publicly for decades. Set within the context of 1960's counter- culture, the exhibition will present an exciting moment in British art and the emergence of a radical new art world.

The Hepworth Wakefield opened in 2011 in the belief that it would contribute to the regeneration of Wakefield and be an inspiration to young people.
