

The Merchant Taylors Hall

Aldwark, York YO1 7BX

Our new venue for 2026

We are pleased to have secured bookings for this historic venue for our lecture programme in 2026/27. The hall is in the city centre and has excellent facilities, including cloakrooms, a kitchen and an area where we can meet socially for a glass of wine or soft drink before lectures. There are good audio-visual facilities.

Parking is very limited at the hall but public car parks in St John Street and Q-Park off Stonebow - indicated on the map - are within easy walking distance and we ask members to use these. Parking is also possible on Lord Mayors Walk. Park and Ride bus services run into the late evening to Piccadilly or Stonebow.

Please note that some other nearby car parks close at 8pm or have limited time constraints.

★ MT Hall

The Arts Society Ebor is grateful to the Company of Merchant Taylors of York for the opportunity to enjoy the hall and we look forward to a long association between our two organisations.
